

Background Information / Literature Review First Revision

Rewrite your background information making any necessary changes, corrections, and additions. **Use your rubric to check for quality.**

The revised copy must follow all guidelines for the final copy:

- Five pages typed
 - 12 - 14 point font
 - Arial, Helvetica, Tahoma, Times Roman font
 - No more than 1 inch margins
 - Double spaced
- Eight pages hand written
 - Blue or black ink
 - One side of the paper
- Use third person – not “I” or “we” or “you”

Spelling and grammar will be graded in this revision. Have someone proofread your paper.

Use topic sentences, details and elaboration.

Please double check the requirements for the background information, you must include information about scientists who have made a contribution to the field you are investigating, how your topic impacts society as a whole and some type of drawing or diagram.
