
Part Six

Communicating the Results

The results of your investigation will be communicated in a **Formal Lab Report**.

The lab report consists of:

1. Title page – your name & class period
2. Question
3. Background information
4. Hypothesis
5. Materials list
6. Building procedure
 - a. Includes statement of variables
7. Testing procedure
8. Excel chart
9. Excel graph
10. Data analysis
11. Conclusion
12. Works cited

Requirements:

- ★ Blue or black ink
- ★ Write on one side of the paper
- ★ No Liquid Paper®, White-Out®, or scratch outs.
- ★ If you word process the report, use Arial, Helvetica or Times New Roman fonts, 12 – 14 points.
